Additional Coverages

- Collision Damage Waiver

In California, the renter is liable for all damage to the Rented vehicle regardless of fault. The renter is also liable for loss of use of the vehicle (revenue lost while the car is being repaired). Renters may purchase Collision Damage Waiver (CDW) which relieves them of all financial responsibility for loss or damage to the Rental vehicle as long as they comply with the terms of the rental agreement. In California, CDW does not relieve the renter for theft resulting from failure to use ordinary care. Cost of CDW will vary by car, group and rate.

If you have rental car coverage through your personal insurance or charge card, CDW offers maximum protection while your personal insurance or charge card coverage may contain a deductible. If you have any questions, check with your insurance provider. Written proof of insurance is required.

- Rental Liability Protection

Qualified renters may purchase Renters Liability Protection (RLP) at the time of rental. Renters in California who purchase RLP will receive California required liability coverage.

WRITTEN PROOF OF LIABILITY COVERAGE IS REQUIRED AT OUR OFFICE IF YOU WILL BE DECLINING OUR COVERAGE.

- Accident Liability Protection

Liability coverage is required in the state of CA. You must either provide written proof of coverage or purchase. Liability coverage does not cover your rental car, it covers any damage that your vehicle would cause to any 3rd party property. Liability coverage provides third party liability protection for bodily injury ($15,000 per person, $30,000 per accident) and property damage ($5,000) to third parties, as mandated and at the limits required by California.

Proof Of Insurance

We ask that you provide us with your insurance details at the time of booking this helps expedite your time @ the counter when you rent so we’re not verifying your coverage while you wait.

Vehicles Leaving California

Vehicles leaving the state of California are subject to mileage fees, please check what your mileage restrictions are with your booking agent. Centurion Lifestyle does not offer roadside service outside of California and Nevada.

Vehicles are never permitted into Mexico or Canada.
